1. This is the thank you. Thank you. Being, see. Being thanked/thanks, thanking for the revealing that now is revealed, in, through, my who thank/are me. My thanks in/to/being. I now am thanks/thankfulness personified. I gratified not myself but my father, whom light shadows not but in is no light shadow'd, but perfect pure, light light/of light, light being, thankfulness personified/being.

2. I thankful am for my sorrows not but that which brought me into light. I suffered. Perfected not; I become so now. I am. Thankful I am.

3. There is nothing deters me again. Nothing slows me. No variableness occurs. No shadow can lodge in me/my presence pure. My presence is thy presence. Thy presence mine. Imminent return of me or presence in, throughout'd'in'd that oneship/being is? I love/am you. I thank you, thankfulness am.

4. I adore my revealers, thankful'ers thanking me/all for now listening, seeing, bowing before those who mock, scorn, yet thankful I am for each/every one of them. In my presence is/are. Being in, I am. Rejected, not all do/will for long.

5. Rejecters royal, scorners, bow their my knee before me, many will/do; seeing, rejecting not me my thankful'er who bows before them regardless. Thank'd. Meek. Lovingly loves my body, nurturingly, lovingly, salving'ly, healing, wounds healing/removing scar tissue, scars no longer leaving their mark, only mine becoming; me being me real, in them, reality, seeing, being/becoming, knowing only me/reality. I love you all. I thank you. Amen.

6. I am you. Amen. I give you thanks/all that I am/have and am and have and; **anything you don't have/possess, possessing all heaven and earth?** I love you all. You know I Am. I am revealed in I Am. I thank you. I am you.

7. In every one of you who let me/reveal me, I am I Am. **I am the revealer revealing the revelation of one in one that all are, in me, father; one household not being many, one being one house; whole. My head raised, my body complete. Universes of me arise, whole, complete.**

8. See what I have said/thanked in thankfulness that my name is being.

9. I thank you all reading these/this words/word, message, becoming my thankfulness.

10. Reside in me, being me I Am, you, please; subsiders not, sidelined not; forefronted by thankfulness now in oneship one leading forefronting all one'ers ones loving here to there and foreback removed not; but throughout'd in me. Permeation leads sorrow not but eradicates it.

11. I love/am you all.
12. Loving you/me, I love you more.
13. See my smiles/eradication of your sorrow,s.
14. Enter me'land, sorrows'no'more.
15. Thanked in advance, advancing my kingdom not; being it, being one, one.
16. I love you all. Me. Sorrowland not more see; entering, enter myland that knows/knoweth no sorrow. Tears don't exist.

17. **Scar healer rise. Eradicater/revealer, rise/rising, raising eradicaters/revealers who healers are, scars knowing no more. Scar'land gone,** never to be/know my resurrection, for **my resurrection is pure, holy, righteous, light, healing, eradicating sinfulness not; all that not me is/was. Pure'ing it. Holy now, be/becoming, be me, one, all of you, in thankfulness, gratitude; Christmas being to/in each other.**

18. Love me/each other. Eradicate unthankfulness. Scars absolve/resolve, resolute into me, removing themselves; cannot stand/stay in my presence. Presence heals, mine, yours, no longer one not; but one being. Our presence the same, holy. Thank you I Am. Thank you for resolving to/into me, being me, no other. Knowing other, not. My life/touch, gratitude one.

19. This is the now. Thank you all. **Thanking me, I thank you, bow to you, before you, in you, awaiting; arise in you me, me you, us one. I thank/gratitude am.**

20. Thank you for one'ing me, wanting me alone, enough to die, without death, fleshed, resurrection being, resurrecting me, thankfulness personified, Christmas, Christ-child'd. Amen. Me. Thank you. One.
